

## **PRESENTERS** (in order of appearance)

### **Dr. Andrew Kroger, MD, MPH**

*National Center for Immunization and Respiratory Diseases*

A Yale and Emory graduate, he is board certified in Public Health and Preventative Medicine. Dr. Kroger has worked for the CDC since 2001. He started his career in Notifiable Disease Surveillance at the Epidemiology Program Office. Presently, he is a traveling trainer for the Education and Information Branch of the CDC.

### **Nancy Heidinger, BSN, RN**

*Erie County Health Dept, Lead Poisoning Prevention Program*

Nancy has worked in the field of public health for 30 years, with the majority of those years in the Lead Poisoning Prevention Program. She is responsible for case management of children with lead poisoning, and educational outreach with primary care providers, parents, and the community. Since 2010, she has served as a member of the NYS Advisory Council on Lead Poisoning Prevention.

### **Dr. Gloria Boseman, PhD, RN**

*New Jersey City University*

She is a graduate of Howard University, (BSN), University of Maryland (MSN), Seton Hall University, and Rutgers (PhD). Having a long tenure with NJCU Nursing, she is currently teaching both entry and senior level courses in Nursing. Her experiences in delivering care to the underserved and underrepresented urban communities spans more than 30 years. She is a frequently requested consultant and speaker addressing a variety of urban health issues from both the academic and personal perspective. She is a recipient of numerous awards, honors, and commendation, including being recognized as an Outstanding Nurse by New Jersey League for Nursing (2009).

### **Christina Hidalgo, MPH**

*New York State DOH*

She received her Master in Public Health from SUNY at Buffalo. As a Regional Epidemiologist for the Western region of the NYSDOH, serving 17 counties, she is responsible for conducting surveillance and providing consultation and control recommendations for communicable disease investigations, nosocomial infections and outbreaks.

### **Dr. Martin Mahoney**

*SUNY at Buffalo*

Dr. Mahoney is an Associate Professor of Oncology, Departments of Medicine and Health Behavior, at Roswell Park Cancer Institute, where he also serves as Medical Director of Employee Health Services. In addition, he is an Associate Professor of Family Medicine, SUNY at Buffalo School of Medicine and Biomedical Sciences
